# 2003 LIMITED ENTRY DEER HUNT TABLE

Permit numbers for 2003 will not be provided on the following tables in order to utilize up-to-date harvest and population census data. The 2003 permit numbers will be set by the Wildlife Board after the application period and prior to the big game drawing. The following tables provide the number of allocated permits and the number of applicants based upon their first choice for 2002. If there was a permit for residents or nonresidents in 2002, there will be at least one in 2003, unless noted in the hunt tables or in case of an emergency closure of the hunt unit. If no nonresident permits were available in 2002, there will be no permits in 2003, unless noted in the table.

\*Hunts comprised of all or largely private property. Hunters should acquire written permission from the landowner to access properly posted private land before applying for the hunt.
